Brow Lamination, Lash Lift & Tinting by RefectoCil

In addition to fluffier, fuller looking brows, Lamination also gives the face a natural lifted effect. Plus, the service is ideal for nearly all types of brows, from those with fine, thin hair structures to brows that are coarser and thicker.

If your clients are looking to enhance their natural lashes, a lash lift may be just the solution they need. Unlike lash extensions, a lash lift works with your natural lashes to give them a beautiful, lifted look that lasts for up to 6 weeks. Pair a lash lift with a brow lamination to give you clients the ultimate Lash & Brow Styling by RefectoCil.
